FOR IMMEDIATE RELEASE

Two Xavier University of Louisiana Graduates Receive

science, neuroscience and genetics, in addition to new STEM-based master's programs, have provided Xavier students (2,749 undergraduates and 849 graduates) an unbeatable combination of traditional classroom study, hands-on research, service-learning opportunities and life experiences. Xavier students collaborate with world-renowned faculty, who are experts in their fields, to produce award-winning research and notable work. The winning Xavier formula is to provide students with a well-balanced curriculum and an environment that nurtures their intellect and feeds their souls, thereby facilitating a more just and humane society for all.
